

# Kerry ENNIS

## A strong voice for DERWENT Ward

**Serving the villages of Acklam, Birdsall, Bulmer, Burythorpe, Coneysthorpe, Crambeck, Henderskelfe, Howsham, Huttons Ambo, Langton, Leavening, Menethorpe, North Grimston, Scagglethorpe, Scrayingham, Settrington, Welburn and Westow**

**■ Kerry Ennis has vowed to stand up for our community if she's elected on Thursday 17th December at the Derwent ward by-election.**

Kerry, the Conservative Party candidate, has lived in Malton since childhood and was educated at both Malton Primary and Secondary Schools. After leaving school she spent the next 20 years living and working in countries all over the world.

Kerry said, "I eventually realised that for me nowhere else was quite as special as Ryedale so, in 1996, I decided to move back to the area permanently and for several years ran my own business in the centre of Malton, The Workhouse Fitness Centre."

With her extensive experience, Kerry wants to stand up for local people, support small businesses, encourage sustainable tourism and protect the natural beauty of our countryside.

"I now work part time in the tourist Industry and realise what an important role tourism plays in the local economy in Ryedale and how we need to safeguard the natural beauty of our area. I'm already on Malton Town Council and the Malton & Norton Area Partnership which I hope shows my commitment to serve the local people" she said.

She added, "I will ensure that any developments are what people need and want. Above all I will make sure that residents' concerns are heard above party politics."

"Along with my Conservative colleague, Cllr Michael Cleary, we will offer a united and strong voice for Derwent Ward."

**If you would like to raise an issue of concern, or help Kerry's campaign, please contact her on: [enniskerry@hotmail.com](mailto:enniskerry@hotmail.com)**

### YOUR VIEWS ON FRACKING

Shale gas exploration should only continue if it is safe and has no significant negative impact on our countryside. I want to hear your views on fracking so that I can represent our community effectively on Ryedale District Council and stand up for you.

### PROBLEM POTHOLES

Dodging around potholes on poorly maintained roads is not only dangerous, it can also cause damage to your car. Kerry says: " Many residents have told me that road maintenance is an important issue and with the wintry weather approaching I want to help tackle problem potholes in our area."

If you wish to report a pothole contact North Yorkshire County Council on 01609 534527

### BACK BRITISH FARMERS URGES MP KEVIN

Talking with Ryedale farmers recently Kevin Hollinrake, Member of Parliament for Thirsk and Malton, stressed the importance of more Government action to promote British meat and dairy. He is calling for an increase in the amount of clearly labelled, local produce on the supermarket shelves.

"I want to see more local produce being bought by consumers and I want our Government to promote it and use it as much as possible" he said.

# YOUR CONSERVATIVE TEAM WORKING HARD FOR YOU

**Ryedale Conservatives work hard on your behalf. With a clear economic plan, we have created new jobs, invested in local infrastructure, faced up to financial challenges and defended frontline services.**

## **Left: Council Tax frozen for 6 years**

Ryedale's council tax hasn't gone up for 6 years. Liberals and Lib Dems voted against this but we believe your money should stay in your pocket without compulsory tax rises for everyone.

## **Right: Dualling the A64**

Achieving improvements to the A64 remains a key policy for your local Conservative team. The commissioned plans for the dualling of the A64 continue to gain support from the Government.

## **Above: New leisure facilities**

Several hundred thousand pounds have been invested in leisure facilities including new gyms at Pickering and Derwent Pools. The appointment of a new operator last year will save the tax-payer £100,000 a year.

## **Above: Support for rural communities**

Your Conservative team is determined to keep grants for our rural communities. Derwent Ward has benefitted from help with refurbishing village halls and community centres, the provision of defibrillators in villages such as Huttons Ambo and work on village plans.

# KERRY ENNIS, STANDING UP FOR YOUR COMMUNITY
